

## Corrigendum to the paper “Precursor and interstitial Cajal cells in the human embryo liver”

Dear Editor,

Please take into account publishing a Corrigendum to the following paper, which was published in Romanian Journal of Morphology and Embryology: Rusu MC, Duță I, Didilescu AC, Vrapciu AD, Hostiuc S, Anton E. Precursor and interstitial Cajal cells in the human embryo liver. Rom J Morphol Embryol, 2014, 55(2):291–296.

The correction is as follows: “Approval for the study of embryos was granted by the Ethics Committee of the University of Medicine and Pharmacy of Craiova, Romania (Approval #54/20.03.2014).”

This should replace in “Materials and Methods” section (page 292) the erroneously indicated [“Carol Davila” University of Medicine and Pharmacy, Bucharest, Romania].

Best regards,

Mugurel Constantin Rusu

MD, Dr.Med., Dr.Biol., Dr.Hab.  
Professor of Anatomy  
Chair of the Division of Anatomy  
Faculty of Dental Medicine  
“Carol Davila” University of Medicine and Pharmacy  
Bucharest, Romania
